britishmuseum.org

Plate, earthenware covered on the front and back with a presumed tin-glaze. Painted decoration, three naked women representing the daughters of Minyas, to the right a cave with a shepherd (Bacchus). In the sky a shield of arms, Medici impaling Pucci for Antonio Pucci; beneath a cardinal's hat with 18 tassels, yellow five roundels orange and one in chief purple, impaling white a moor's head black with a white fillet. Story from Ovid *Metamorphoses* 4.
